Children & Youth

"Adopt a Sunday" - We need couples that no longer have kids in the home to help with one evening during our Marriage Bible Study. In hopes to get more young parents to attend, we would like to offer a lesson, game, or craft for their children during the time of the study. This would be only a one week commitment during the 8 week study. **Please sign up in the foyer. Everyone interested in volunteering will need to be background checked and lessons approved by Jackie Glass. Questions? Contact Jackie Glass or Bri Crowe.**

Children's Welcome Center Check-in-

Parents need to sign-in and pick up their child's pick up tag at the Children's Welcome Center **BEFORE** going down to class. Teachers need to check that each parent/guardian has their child's pick up tag. If you do not have the pick up tag or you are not an approved person to pick up a child, they will not be released to that person.

All children need to also have an updated 2025 Medical Release Form on file.

MINISTRY IN MOTION

Reaching People FOR Christ and
Building People UP IN Christ

Nathan's Notes...

Our focus for this year has been "Much Fruit", producing the good works in our lives that comes from a strong relationship with our Savior. In line with this topic, we've discussed what it means to produce fruit for Christ, our need to be motivated in this task, and God's equipping us for it through His Spirit and various gifts.

Today we will begin a series focused specifically on service. Service is where the "rubber meets the road" in our fruit production. Over the next several weeks we will be studying Biblical teachings on what it looks like to have a lifestyle focused on serving God and others. Today we will be specifically focusing on the attitude necessary for a lifestyle of service, and we will be learning it from one of the best biblical examples: the apostle Paul.
