# MINISTRY IN MOTION

Reaching People FOR Christ and  
Building People UP IN Christ  
November 17, 2024

Nathan's Notes...

Throughout this year, we've been studying "Deep Roots", developing strong faith so that we are able to live productive lives for Christ. We've talked about the roots of our faith that we must be established in to grow in Him, the roots of church life and the practices that help us grow into strong followers, and the disciplines that help us to cultivate our roots.

Today we are beginning a short series that looks at Eastview's theological roots. Because ECC (and many similar churches) are not a part of a denomination, some are unaware of it's theological background. Just as our church has a number of Biblical values we wish to emphasize for our current season of ministry (doctrine, outreach, youth, assimilation, etc.), ours and many other churches have their origin in certain Biblical principles that saw great emphasis in the early 1800's through what came to be known as the Restoration Movement. Over the next few weeks (with a break for Thanksgiving) we will be looking at some of these timeless principles like unity, Biblical authority, and grace.
