MINISTRY IN MOTION

Reaching People For Christ and
Building People Up in Christ
November 1, 2026

Nathan's Notes...

Last week we began a discussion on "Dealing with Difficult People". Specifically, we focused on why we have an obligation to deal with difficult brothers and sisters. This week we will be focusing on how to best do it.

No one faced more difficulty at the hands of other people than Jesus. Despite His perfect humility, love, and selfless service, He had more than His share of detractors and nay-sayers. It seems that if we want to know how to effectively deal with difficult people, we should be following His example, who dealt with many struggles at the hands of others, including the difficulty we cause through our sins.
